

REMARKS

Claims 10-14 have been cancelled, and claim 15 rewritten in independent form. Such cancellations of and amendments to claims are only for the purpose of expediting the prosecution of this application and are not to be construed as an abandonment of any of the novel concepts disclosed therein.

The courtesy of the Examiner in setting forth reasons for the indication of allowable subject matter is acknowledged with appreciation. There may be other reasons why the allowed claims contain allowable subject matter.

Since all the active claims contain allowable subject matter, this application is in a condition for allowance, and notice thereof is respectfully requested. If the Examiner believes the application is not in a condition for allowance, he is respectfully requested to telephone the undersigned attorney at 617-521-7014 to discuss what additional steps he believes are necessary to place the application in a condition for allowance.

Respectfully submitted,
FISH & RICHARDSON P.C.
